

felt-like-it!™ FELT STORAGE BINS

Continuing the trend of expanding an already innovative line of brushed metallics, powder coated steel, and layered wood, Three by Three Seattle introduces their newest texture: felt! **felt-like-it!™ felt storage bins**’ bright interiors make color coding collections easy, while the sleek dark grey exterior blends with décor.

“In light of the overwhelmingly positive response to introducing other attractive storage solutions, we’re excited to announce **felt-like-it!™ felt storage bins**,” says Anita Nadelson, CEO. “Shaking things up by adding an unexpected texture seemed like an obvious next step – these bins look at home in the closet, as drawer organizers, or as aesthetically pleasing storage meant to be visible.”

felt-like-it!™ felt storage bins are available in three sizes:

9 x 9 x 4 inches available with orange and navy interiors;
7 x 7 x 4 inches available with orange, navy, blue, spring green, and red interiors;
and 5 x 5 x 4 inches available with orange and spring green interiors.
